April 28, 2022

Voluntown Residents,

The Board of Selectmen approved the 2022-2023 General Government Budget Proposal at the April 26, 2022 meeting. The attached 2022-2023 General Government Budget Proposal shows an increase of \$179,295.

Community input on the proposed budget will be gathered at the May 4, 2022 Public Hearing that will be held at the Town Hall Meeting Room at 6:00 PM. The Annual Town Meeting will be held on May 24, 2022 at 7:00 PM at the Voluntown Elementary School gymnasium.

The 2022-2023 General Government Budget Proposal includes:

- Projected increases in costs due to inflation of diesel fuel, electricity, salt and sand, municipal waste, health insurance, liability and property insurance, minimum wage
- Increases in services to the community which include senior & disabled transportation, senior programs, OpenGov, TextMyGov, and salary of the First Selectman
- Increase in revenue that includes an increase in the grand list and a \$60,434 increase in PILOT funding

At this time, we are looking at a mill rate decrease, but we are still waiting for the final revenue figures from the state and the Board of Education finalized budget.

The Board of Selectmen has decided to move the budget votes to a **referendum which will be held on May 31, 2022 at the Voluntown Town Hall from 12:00 PM to 8:00 PM**. A vote on a resident state trooper, and the approval of an additional appropriation to cover the cost of at least the first year of resident state trooper will also be added to the referendum.

Sincerely,

Tracey Hanson First Selectman
